FENWICK

If we were to state here that Fenwick is merely a school, something would be lacking.

Fenwick is more than a school. It's a spirit, a soft spot in the hearts of its many graduates, a certain intangible something in the feelings of its students.

Far more important than the studies is the sense of decency, patriotism, and fair play which is instilled in each Friar graduate.

We Seniors have spent the best years of our lives here; we've grown up in the locker-bound corridors and the picture-studded class rooms.

We've found solace in the chapel, guidance from the faculty, and example in our superiors' lives.

We've sweated out the football games, joked about the cafeteria food, prayed together at Holy Mass, and now it's just a memory.

Yes, it's just a memory now, but an indelible one stamped on our minds by myriad incidents and happenings, each one making us cry out, "Thanks, Fenwick. Thanks for the best years of our lives."

With the completion of the new Priory the first step in Fenwick's expansion program was accomplished. Shortly after this picture was taken the workmen packed up their tools, and the faculty occupied the building.

CANDIDS AT FENWICK

ATHLETICS

FOOTBALL . . .

BASKETBALL . . .

SWIMMING . . .

INTRAMURALS . . .

"The best in the Catholic league." That one sentence sums up Fenwick High School's athletic achievements for the year 1949-50.

Although Fenwick has always been, in the words of the newspapers, the "perennial champs" of the Catholic league, it took this year to make these words resound back in the faces of Fenwick's opponents. For the first time in this school's brief but successful athletic history, the triple crown, football, basketball, and swimming championships, was captured by the Oak Park school.

Early in 1949, after losing most of last year's first-stringers, Fenwick's football team embarked upon its second successive Catholic league title. The "green, but willing" boys played like veterans throughout the entire season. The pinnacle of success was reached with a smashing 42-12 victory over St. George for the Catholic league title. That was the first link.

The swimming team and basketball team welded the final two links almost simultaneously. The students of Fenwick, almost expecting the regular clock-like winnings of the swimming team, were not disappointed this year. Both the juniors and seniors won their respective titles. The work, put in by the swimming team, nearly blankets the entire year. The hard work and superior coaching are the reasons for the endless string of triumphs.

The basketball team, both the Juniors and Seniors, advanced to the playoffs. The juniors fell in the semi-finals to De Paul, but the "big-boys" went the entire distance to annex the title, beating an old nemesis, St. Elizabeth 46-39. Then they won the city championship by whipping Tilden, the Public School Champ, 54-41.

But it takes more than just a willing gang of boys to win titles. It takes coaching of the finest brand. Tony Lawless, Bill Shay, Dan O'Brien gave proof of their great ability in molding winning teams.

With the "triple crown" tucked away, Fenwick can rest on its laurels, at least until next year.

ATHLETIC DIRECTOR

REV. J. N. MORGANTHALER, O.P.

The Reverend J. N. Morganthaler, O.P., took the position of Athletic Director in 1942, and ever since that day he has performed near miracles with his athletes. Wherever there is an athletic contest or something concerning sports, Father Morganthaler will be there to look out for the interests of the school and the players themselves.

HEAD COACH

ANTHONY R. LAWLESS

Twenty-one years of masterful coaching is the record of Fenwick's Anthony R. Lawless. Coach Tony Lawless is the athletic department of Fenwick. His record is a string of never-ending victories and successes. He has coached almost every possible sport and has lead Fenwick's athletes to nearly every possible championship.

THE COACHING STAFF

REV. WAYNE E. CONLEY, O.P.

Assisting Father Morganthaler as the assistant athletic director, the Reverend Wayne E. Conley, O.P., has taken charge of the golf team, the grammar school swimming and basketball tournaments, and the numerous other Fenwick athletic campaigns. This is his fourth year in this capacity.

DAN O'BRIEN

A Fenwick alumnus, in the person of Dan O'Brien, has returned to his Alma Mater to bring fame to his school. A graduate of the Class of 1934, Dan assumed the duties of a trainer. He then took charge of the swimming team and has always produced a winner. Now he also coaches the freshman football team with almost the identical result.

BILL SHAY

The newest addition to the Fenwick Athletic Department is the basketball coach Bill Shay. Coming here from De La Salle High, he proved to be the needed "shot in the arm" that would revive the Fenwick cagers. In this first year, his junior quintet won the section title; and now in his second year, his seniors have won the Catholic league title and city championship.

LARRY FLYNN

Fenwick's Line Coach Larry Flynn is a former team mate of Coach Lawless, and has assisted Tony Lawless in building up the Friar forward wall for the past eleven years. Having played pro-football for five years and having coached both Loyola and St. Patrick High School teams, Larry leaves his line as his record of achievement.

for a Weber back

FENWICK 28 — WEBER 0

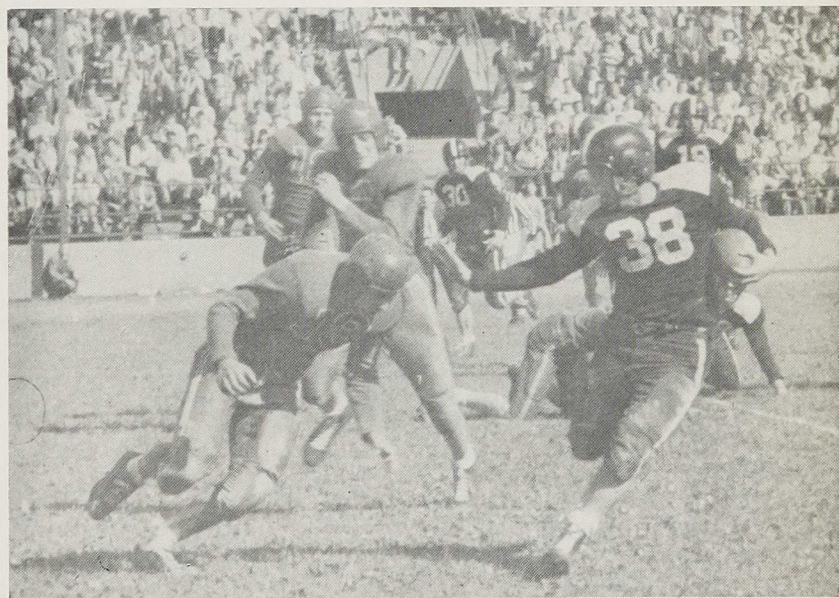

Fenwick opened the '49-'50 football season in fine style, shutting out a hustling Weber team in a practice tilt at Hanson Stadium. Lattner went 55, 50 and 20 yards for his three touchdowns. Tony Viola snared Canty's pass in the end zone for Fenwick's final score.

SEASON'S RECORD

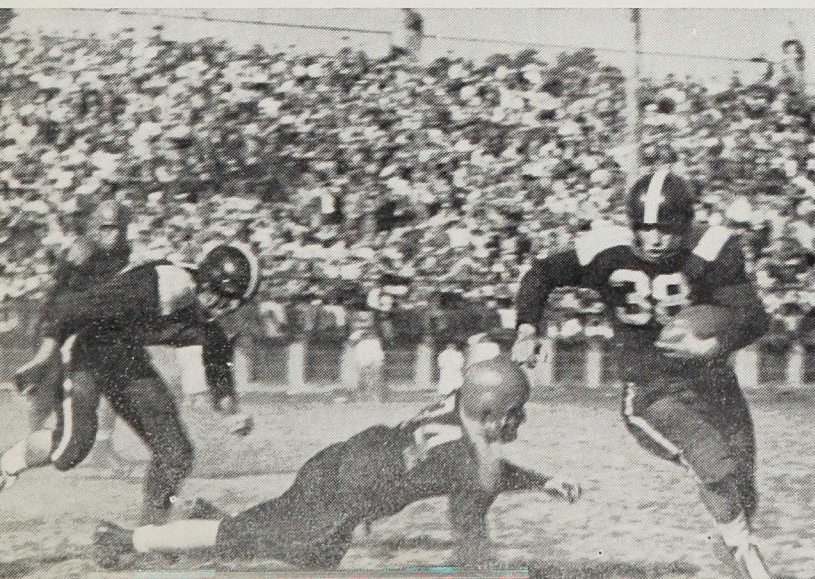

FENWICK 33 — DE PAUL 13

Long runs were the feature of the De Paul game with Lattner going 82 and 76 yards; Rigali 58 yards; and Ted Baer 25 yards. Tom Harte got three points on conversion.

FENWICK 34 — LEO 13

The score of Fenwick's first league game does not indicate the bitter battle staged by these two teams on Shewbridge Field. At the half Fenwick led 7-0 by virtue of Lattner's 76-yard run, and with only five minutes remaining in the game the score was 20-13. Then Rigali and Lattner tallied quick T.D.s to pull away from the Lions for good.

FENWICK 13 — MOUNT CARMEL 6

In one of the toughest and closest games of the season the Friars eked out a seven-point win over the Caravan team pitched to a high level for this all-important game. Lattner scored from the two after Fenwick had marched 60 yards downfield. The final Fenwick touchdown was contributed by Fred Baer who raced 40 yards over center in the third period.

FENWICK 50 — DE LA SALLE 20

Fenwick's versatile attack proved itself superior to De La Salle's in a free-scoring affair which found Lattner counting five times. Consistent Bob Rigali got the other three, while Harte added two points by way of conversions. De La Salle scored twice on a play in which the guard was an eligible ball-carrier.

FENWICK 27 — LOYOLA 0

Chicagoland television fans got a good look at the talented Friars as they humbled the Fighting Ramblers from the North before a capacity house at Loyola Stadium. Rigali and Lattner split the four touchdowns while Harte was splitting the goal posts three out of four times.

FENWICK 45 — ST. RITA 0

Visiting Alumni were treated to a Fenwick scoring spree against a heavy Rita eleven in the annual homecoming game. John Lattner took the opening kickoff back 88 yards for a score. Baer, Rigali, and Cywinski also crashed into the scoring column.

Rigali leaves the heavier but slower Rita team behind.

Fast action under the lights in Green Bay

FENWICK 27 — GREEN BAY 6

For the first time in its history a Fenwick team traveled out of the state of Illinois to face a football opponent, in this case Catholic Central of Green Bay, Wisconsin. The Friars were 12 point underdogs before the game. Don Weaver scored the first touchdown when he blocked a punt, picked up the ball, and scampered across the goal line. Central got its only touchdown on a desperation pass in the closing minutes of the game.

FENWICK 42 — ELIZABETH 6

Another sectional championship was added to Fenwick's growing list of trophies as they defeated St. Elizabeth before a Fathers' Day crowd of 7,000. Fred Baer scored three touchdowns while Bob Rigali was collecting two. Tom Harte had a perfect day with 6 P.A.T.s.

CATHOLIC LEAGUE

CHAMPIONS

FENWICK 42 — ST. GEORGE 13

For the second year in succession Fenwick proved to be the best football team in the Catholic league when they downed the St. George Dragons of Evanston in a wild game at Soldiers Field. Lattner proved he could pass as well as run, completing 5 out of 8 tosses, two for touchdowns. Besides this he punted for an average of 47 yards and traveled 188 yards on the ground. His longest run was a 70-yard jaunt through the center of St. George's line. Two of Rigali's touchdowns came on passes from Lattner. Baer and Canty completed the Fenwick scoring on short runs.

SCHURZ 20 — FENWICK 7

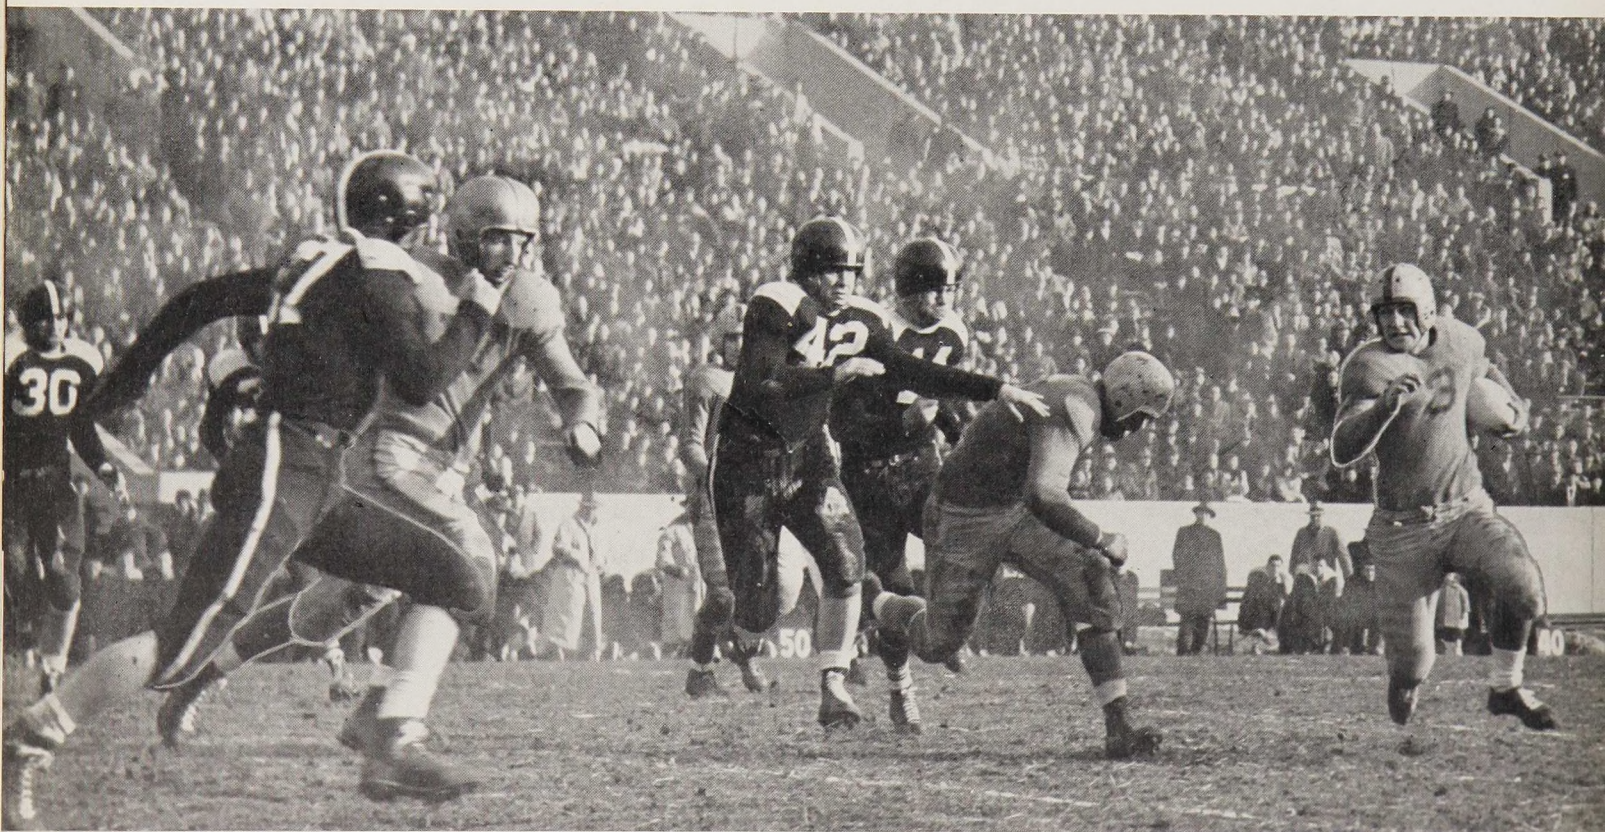

Before a crowd of 70,000 prep football fans under a bright December's sun in Soldiers Field, Fenwick succumbed to the steady play of a well-knit Schurz team in the Prep Bowl game. The Friars for the first time suffered from an attack of acute fumbleitis which eventually cost them the game. Fudala and Swienton carried the brunt of the bull-dogs' attack while Lattner and Rigali carried the chores for the Friars.

UNDEFEATED FRESHMEN

THE UNDEFEATED FRESHMAN FOOTBALL TEAM

The Freshman football team finished their season with a record of three wins and no losses this year. At the start of practice about 180 boys turned out for the team, but at the end of the season only 65 remained.

Coached by Dan O'Brien, the Frosh team made a good showing against their regular seasonal opponents and against the Sophomores. They played Loyola at Loyola, October 15, and routed the Frosh Ramblers 45 to 0. A week later they defeated St. Philip 35 to 0. St. Mel was their third victim, three days later, 21 to 0.

Although many boys saw active duty either in the line or backfield, those who played the most were centers Jerry Murphy and John McDonnell; guards Larry Duffy, Don Murphy, and James Burke; tackles Jim Belzer and Dick Thompson; ends Fred Biondo, Bill Makel, and Roy Jablonski; quarterback Jim Maddock; left halfbacks Wally O'Brien and Eddie Shannon; fullback Rudy Gadini; and right halfbacks Bill Rigali and Bob Miller.

With a Catholic league title, City title, and a season's record of 22 wins and 7 losses, the '49-'50 Senior basketball squad can well take the plaudits they deserve. For the first time in 16 years the seniors captured the Catholic league title, and for the first time in the history of the school they went on to beat the Public league champion Tilden for the City title in the Charity game in the Chicago Stadium.

Starting slowly in the practice games, the Seniors were bolstered by the return of many football players to the hardwoods. In the pre-season tilts the heavies won 6 while dropping 4 games.

The Friars started the season with a 63 to 28 victory over De La Salle. With Lattner and Conrad leading the way, Fenwick beat St. Rita 66 to 34, Mt. Carmel 53 to 43.

In the first big game of the year Fenwick edged St. Elizabeth 54 to 53. The heavies finished the first round of play undefeated with victories over a tall St. Leo quintet 49 to 40 and Loyola 53 to 42.

The second round was started with the same winning habit. Fenwick took De La Salle 47 to 23, St. Rita 60 to 44, and Mt. Carmel 50 to 47. But then Fenwick met the strong St. Elizabeth team, and even John Lattner's season high for one night, 30 points, was not sufficient to stop the Ironmen. The heavies lost their first league game 51 to 43.

In the next game, Leo's Lions tipped the Friars 39 to 37. In the

last game of the season, Fenwick beat Loyola 53 to 34. Tied with St. Elizabeth for the South Section lead, the Friars dropped the play-off game to St. Elizabeth 45 to 24.

With an height advantage of at least four inches per man, the tall Tilden five, the pre-game favorites, were ahead 24 to 17 at the half. Fenwick caught fire in the second half, climaxed by a 21-point last quarter, and wrote a 54 to 41 victory over Tilden in their treasured record book.

FENWICK JUNIORS

Continuing last year's success pattern, Coach Bill Shay piloted the Friar Juniors to a season's record of 19 wins and 7 losses. The lights, after a heart-breaking Catholic league start, finally ended in second place in the South Section but lost in the semi-finals of the playoffs.

The Friars opened the practice season at Steinmetz with a 68-36 victory. Proceeding to win the next 7 practice games, the Friars were established as a definite threat in the Catholic league.

After winning Fenwick's Round Robin with victories over St. Philips and St. Ignatius, the Juniors were given a good chance to be the first Fenwick team to win its own Junior tourney. But the Friars suffered their first defeat of the season, losing to an inspired Weber team 47-44 after ten consecutive pre-season wins.

Fenwick opened its Catholic league season playing host to De La Salle. The Meteors put on a strong fourth quarter finish to edge Fenwick's juniors 47-46. The Friars lost two more successive league games in tough battles to St. Rita, eventual Catholic league winner, and Mount Carmel. But, then the lights started to

roll, and lost only one more league game.

Starting with a 64-30 victory over hapless St. Elizabeth, followed by a narrow 47-46 victory over Leo and a 66-25 win over Loyola, the Juniors ended the first round with a 3 win and 3 loss record.

The Friars, starting to gain confidence, defeated a strong De La Salle quintet, 51-34. With a driving 25 point last quarter the Juniors beat St. Rita 62-49. Mount Carmel momentarily halted the Friars 44-33, for their only second round loss.

The Friars ended the second round with victories over St. Elizabeth 61-17, Leo 59-46, and Loyola 69-39.

In the opening game of the junior playoffs Fenwick defeated St. Ignatius 53-37. Against the winner of the North Section, De Paul, Fenwick lost a 46-43 decision and bowed out of the tournament.

Jerry Drella was named to the all-section Junior squad after scoring 383 points in the season, and Tom Sullivan received the second team berth at center. Both boys moved up to spark the Senior squad in their tournament games.

Finishing their season with a 42 to 35 victory over Loyola, the flyweights established the remarkable record of seventeen wins and only one setback. Losing only to Leo's flies in the first round, the flies came back to rout the Lions 47 to 30 and obtain suitable revenge. Jim Barron, '52, was the leading scorer for the flies, averaging sixteen points per game.

The Bantams got off to a bad start, but rapidly improved. Winning only three of their first six games, the Bantams picked up steam and finished the season with a record of ten wins and six losses. Ed Curtin and Tom McKenna, both sophomores, led the team throughout the season in scoring with 98 and 83 points respectively.

League Championships

Captain Joe Happ confers with Coach O'Brien

For the 18th time in 19 seasons, Fenwick has done it again. Led by Captain Joe Happ, and coached by Dan O'Brien, the Friar tanksters swept their way to another league crown. The '50 team, led by seven Seniors, won seven out of eight meets, and brought home two more trophies for the school showcase. During the season the mermen met and downed such opponents as Loyola Academy, St. George High School, University High School, Culver Military Academy, De Paul Academy, Mt. Carmel High School, and St. Mel High School. The only defeat suffered was at the hands of Culver in the Midwest Invitational Swimming Championships held in Culver, Indiana. For the second straight year Fenwick was runner-up in this particular meet.

Some of the more exciting events of the past season were the victory over Culver in a dual meet, Dick Wehman's upset victory over Mt. Carmel's Jim McKeivitt in the senior championships, and the record breaking exhibitions of the team's number one backstroker and captain, Joe Happ. Joe climaxed his high school career by breaking two league records and setting an unofficial state record for the 100-yard backstroke. On the last day of the season, the league finals, Joe traveled the distance in 1:03.1 to set a new league record and an unofficial state mark.

From the performances of the Freshmen

and Sophomores of the team, the prospect of next year's team is very bright. Outstanding on the Junior team were Hilaire Lavigne '52, and John O'Reilly '52. Lavigne climaxed his season's work by taking both the Junior 50-yard breaststroke championship, and the Senior 100-yard breaststroke crown. John O'Reilly took the Junior 50-yard freestyle and placed 3rd in the Senior 100-yard freestyle. In winning the 50-yard event John established a new league record by negotiating the distance in 25:2 seconds. George McElligott '52, and Jerry Dunne '52 both showed promise in taking 4th and 2nd respectively in the league meet in the 100-yard backstroke.

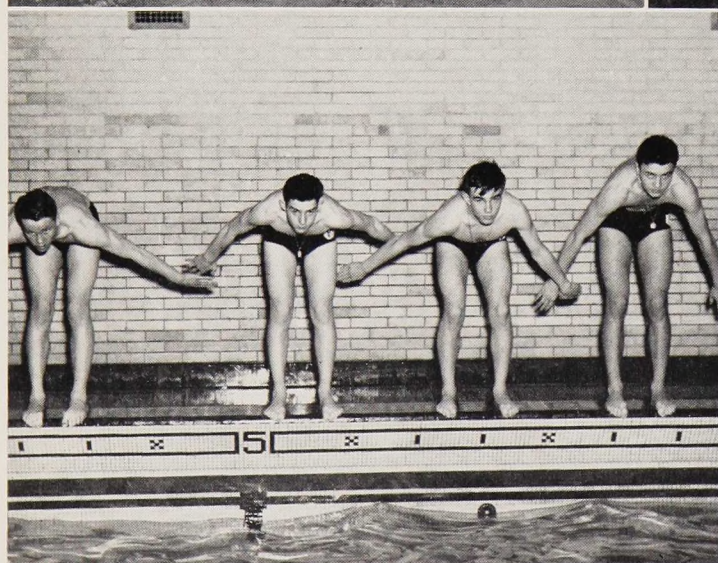

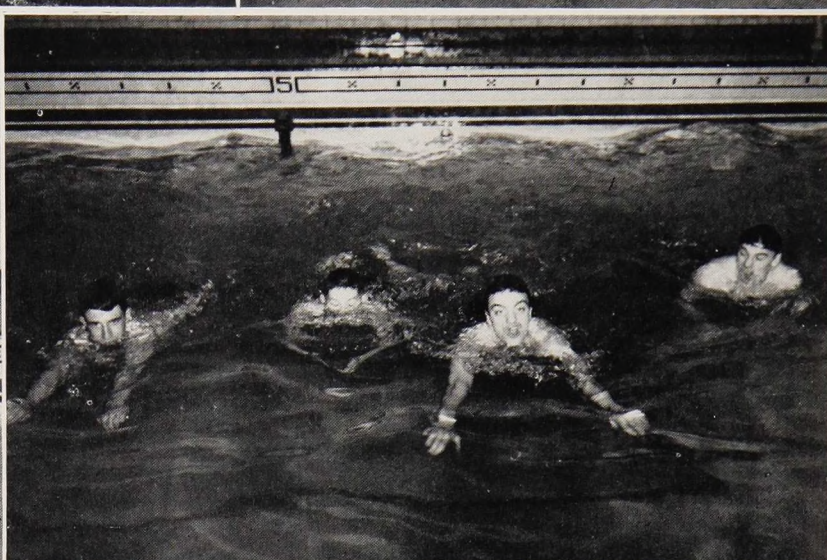

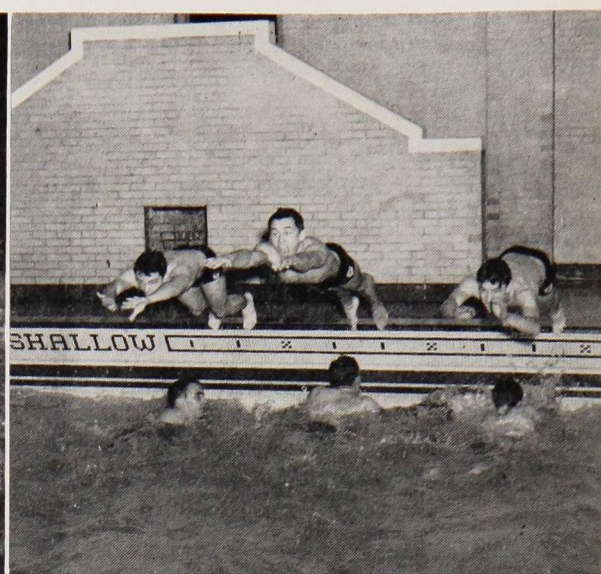

Some of the first year men who showed promise were Dick Grunt and Harold Enright, backstroker and freestyler, respectively.

Chuck Green, breastroker, Reg Darley, freestyler, Dick Beeman, backstroker, and Jack Sullivan, diver, Juniors scholastically, all placed high in the league meet, and their efforts were climaxed by Sullivan's winning the diving crown. Some of the other men who helped win the Senior meet were Bill Dunn, freestyle, Ned Dougherty, freestyle, Dick Micalletti, freestyle, and Ed Vertuno, breaststroke. All these men put their talents together and worked hard to win their share of the triple crown which Fenwick won this year for the first time in the school's history.

INTRAMURALS

Throughout the year the intramural program at Fenwick gives every student a chance to partake in those sports suited to his skills.

In the fall volley ball took over the gym, and 843 boys entered the fray. After the 82 teams formed from this number had been narrowed down to a handful, the championship matches were held after school. The Senior team of the gym class won the title.

On February 13 and 22 at the Circle Bowling Lanes and the Suburban Bowling Lanes, 108 students bowled for the championship of Fenwick's annual tournament. The Senior class swept the tournament. The championship four-man team was composed of R. Sarlitto (485), V. Bonus, (475), F. Trankina (398), and R. Durst (364) for a team total of 1721. With 959 pins, R. Sarlitto and V. Bonus won the doubles title. J. Quinn with 512 pins won the singles championship by 23 pins over his nearest competitor J. Gustafson (489).

On March 24, Intramural Night was held; during the course of the evening the swimming, ping pong, and basketball championships were decided.

In the ping pong singles T. Comparto beat R. Hegberg. R. Hegberg and D. Smith beat P. Scott and J. Murnane in the doubles.

The swimming events were won on the most part by the Juniors with 29 points. The Seniors were second with 18; the Freshmen with 10 for third were closely followed by the Sophomores with 8 points. George Lane, '51, won the 25-yard freestyle event. M. Dunham, '50, won the 25-yard backstroke. The 25-yard breaststroke was won by F. Lolli, '51. George Lane also won the 50-yard freestyle race. The Junior relay team of J. Ryan, F. Lolli, and G. Lane won the 75-yard medley. The 100-yard relay was won by the Senior medley team of W. LaRue, K. Husch, T. Schlicht, and M. Dunham.

In the heavyweight division of the basketball tournament, the Senior team of D. Weaver, J. O'Malley, G. Kamins, R. Doran, J. Wojtys, Ziebell, A. Taddeo, and J. Hanley, came from behind to defeat another senior team 28 to 27 in an overtime and win the title.

The lightweight game was more an open battle. The same team that won the championship last year came back to annex their second title with a 37 to 10 drubbing of a Freshman team. The Senior championship team was composed of E. Fiedler, G. Kunzmann, J. Gustafson, J. O'Connor, J. Ferrone, P. Quirk, L. Harast, J. McDermott, J. Smith, A. O'Reilly.

After more than 400 students had boxed over 375 bouts, Fenwick's 20th Annual Silver Gloves tournament came to a close on March 31.

Of the fourteen bouts that evening, six were preliminary non-title fights. During the curtain-raiser, Bob Carbon was defeated by Ed Scullion in a 100-pound class bout. In the

115-pound division, Pete Quirk took a close one from Dick Steinbach. Then the fans watched a pair of 135-pound fighters, Ronald Gross and Ramon Prokoski, overcome Jack Moore and Bob Reynolds. The 145-pound bout brought together the battling Huber brothers with Jim getting the nod over his brother Bill. In the 155-pound class Ray Allen defeated Norb Vallee.

In the first championship bout, Bob Auer and Dick McHale mixed it up in the 90-pound class with Auer coming out on top. The 100-pound champ was Larry Harast who beat Jerry Quinlan for the title. Dick Marshall topped Jerry Bachner in the 115-pound event. Joe Ferrone lost to Dick Zilligan in the 125-pound battle. Wally Digison, a winner from last year, was upset in the 135-pound bracket by Bill Mullen. Ralph Schuler beat 145-pound Bill O'Brien. Larry Duffy was defeated by Terry Moran in the 155-pound bout. Neil Carrothers got the nod in his fight with Bill Brady to become the new heavyweight champion of the school in the last fight of the evening.

Fenwick's Junior and Senior tennis teams, hoping to continue the success enjoyed during the '49 season and also to give Fenwick another championship team, began April 19 to prime for the Catholic League meet. The Seniors, who finished a strong third in the Catholic League last year, featured Ed Fiedler, '50, Ed Vertuno, '50, and Vince Baldassari, '50. This year Dick Feeley, Reg Darkey, Conrad Tuerk, and John Siewers, all '49, the defending Catholic League Junior tennis champions, will bolster the Senior team.

During the track season of 1950 Captain George O'Brien, '50, had a strong team. Running the 660 were W. Hoyne '52, T. Cannon '52, J. Kelly '52, R. Morman '52, and R. Stefain '52. F. Gale '50, H. Murray '51, and E. Fitzgerald '51 ran the 440. Working also in the 220 were Cannon, Murray, Fitzgerald, and Morman. In the $\frac{3}{4}$ mile relay were Hoyne and Kelly while O'Brien ran the $\frac{1}{2}$ mile relay.

The relay team of O'Brien, Gale, Cannon, and Hoyne was one of the four teams out of the ten Catholic League teams to qualify for the Daily News relays. They turned in a time of 2:40.5 before a crowd of over 20,000, the largest ever to witness an indoor meet in America.

The team ran in the Junior and Senior relays, in the Junior section of the Catholic League meet and in the Senior Catholic League meet.

With 108 golfers competing in the 16th Annual Intramural Golf Tournament, Al "Ace" Eichenold, '50, came out on top with the low score 44-39-83. Three other Seniors, J. Murphy, G. Miller, and T. Pinter, ended up in second place with 86.

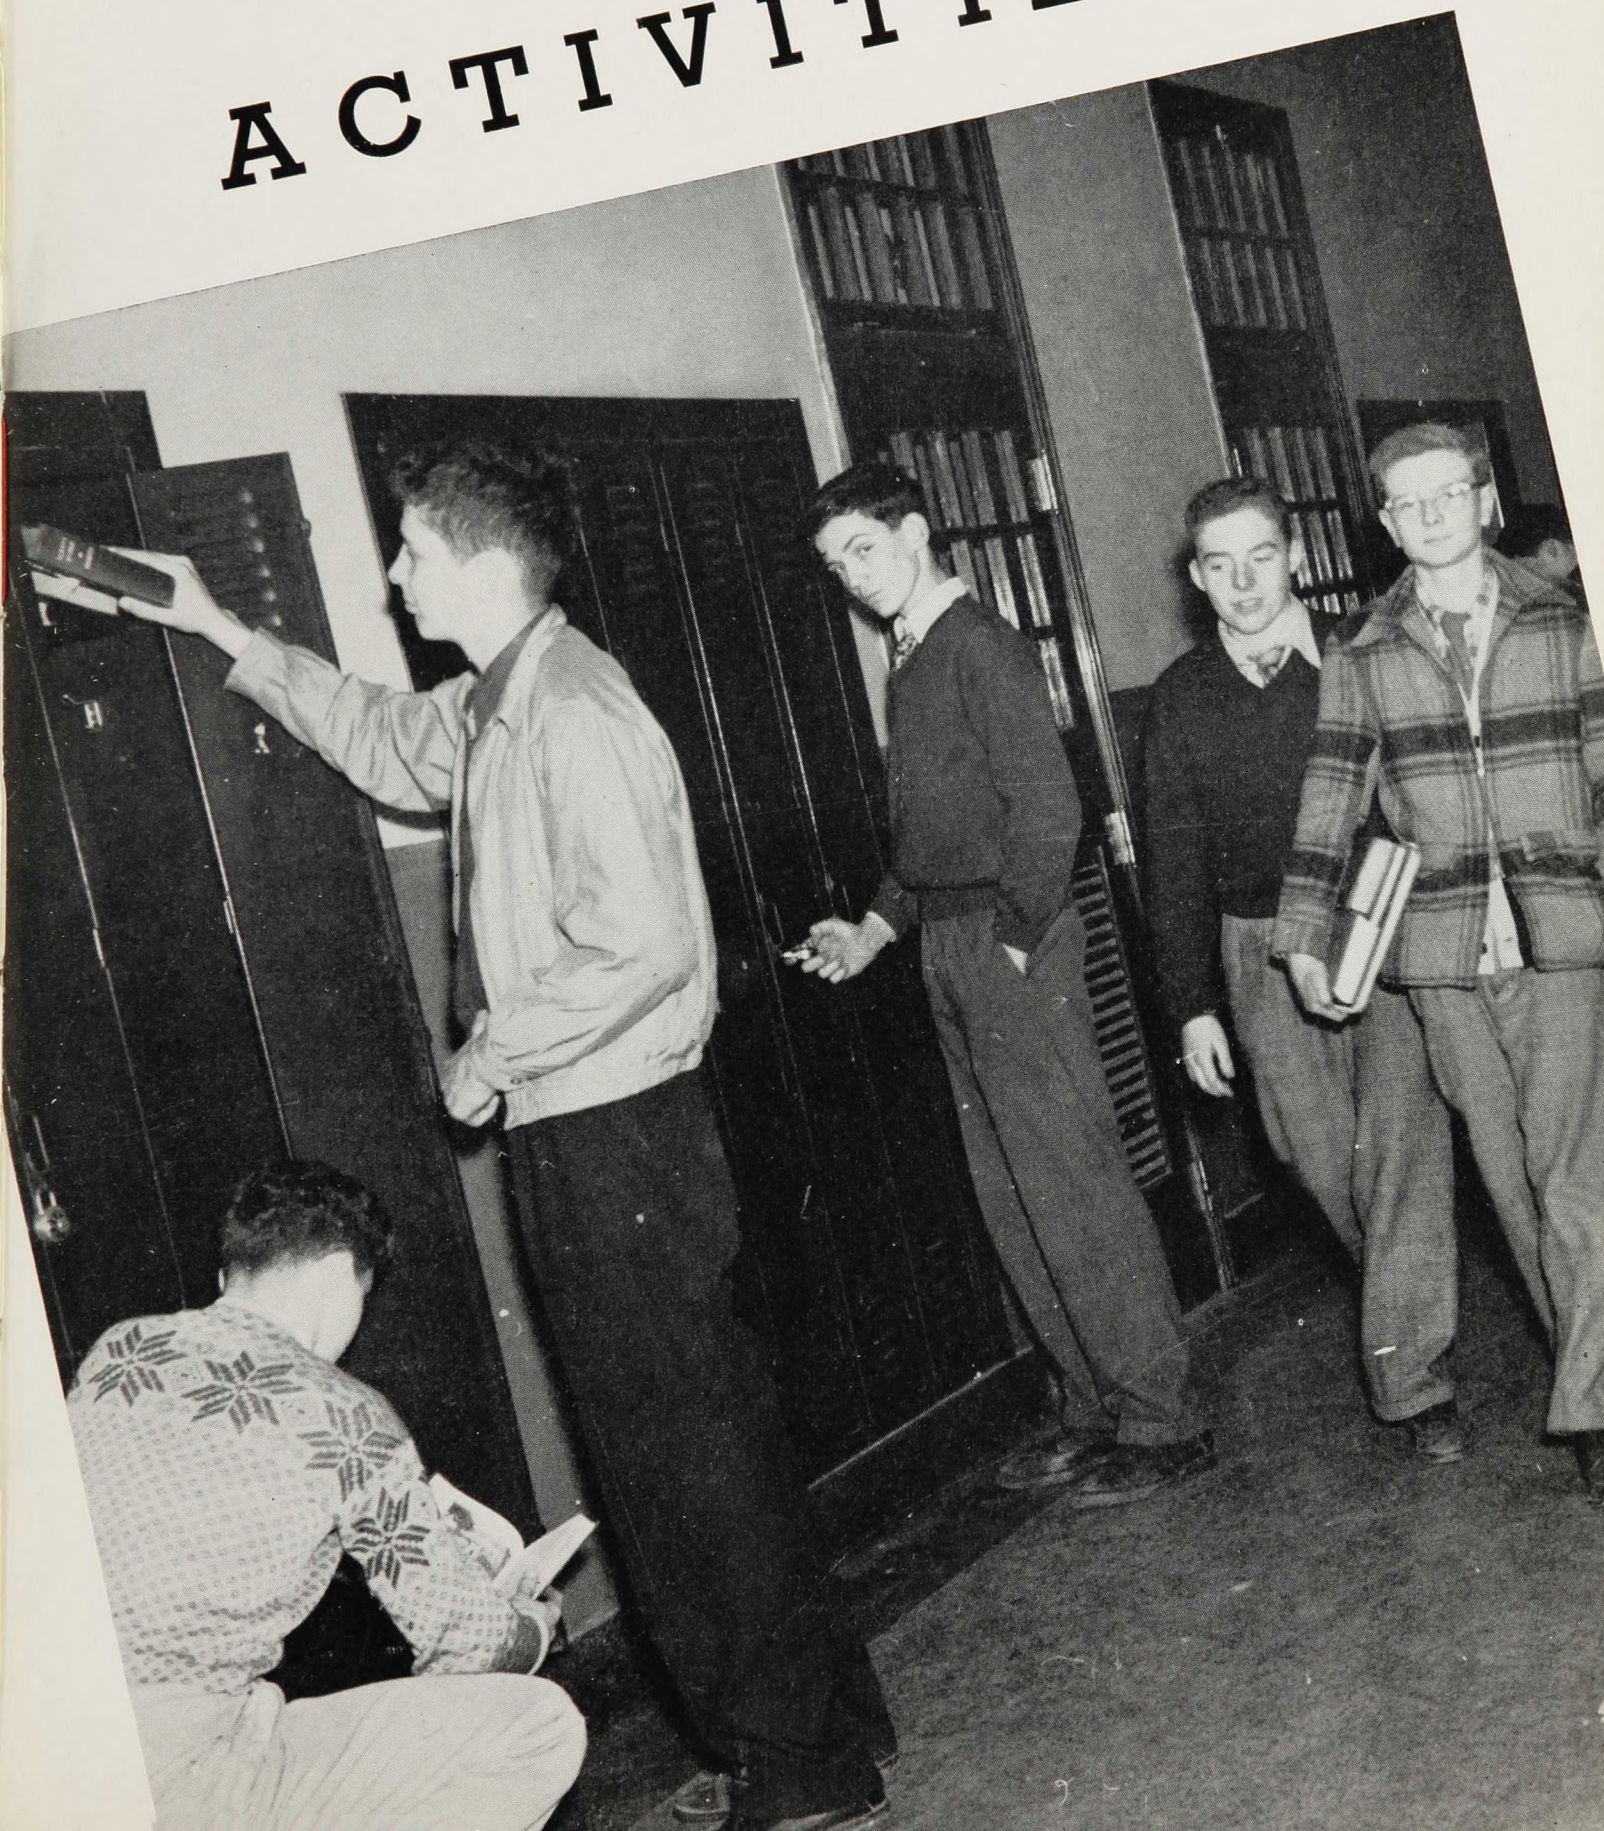

Class champs were T. Corcoran '51, 47-41-88; R. Frainey '52, 50-45-95; and M. Murphy '53, 44-52-96.

According to the bells that ring every forty-five minutes, the school day at Fenwick begins at 8:30 in the morning and ends at 2:45 in the afternoon. But everything that a gentleman should learn cannot be taught in a classroom. At 2:45 the school day is just about half over for most of the students. Extra-curricular activities play a major role in the lives of the students. The various teams, clubs, and activities sponsored by the school supply the needed incentive to learn in a healthful atmosphere, for all work and no play makes John a dull boy.

The Guild engaged upon a year of research with enthusiasm rarely seen in such efforts. Reorganized by the Reverend Cyril M. Fisher, O.P., the charter members elected Roger Keith, '50, president; George Rokos, '50, chairman; and Donald Otten, '50, as secretary. At the meeting various projects of the members were discussed, and the club went on two field trips, one to the Museum of Science and Industry, and the second to the Desplaines River to study flora, fauna, and the advantages of outdoor life. The club has grown by leaps and bounds, nearly doubling its membership in one year.

Jack Culkeen and Bob Conforti,
winners on Amateur Night.

Fulfilling their promise of an even bigger and better show this year than last, the Junior home room class of the Reverend John D. Malone, O.P., presented Fenwick's seventeenth annual Amateur Night on December 7, in the school gym.

Under the supervision of Ed Boswell, general chairman, and talent co-chairman Abel Cantu and Ed Barrett, auditions were held in room 31 after school to choose the best performers for the famous extravaganza.

Bob Conforti, '50, won the first prize with his signing of "Some Enchanted Evening" and his playing "Rhapsody in Blue" on the piano. Second place went to Jack Culkeen, '50, with his piano interpretation of the "Sabre Dance". James Moynahan, '53, was the third place winner with his "musical pogo-stick".

The proceeds from Amateur Night amounted to \$520 which was sent to the Dominican Missions in Boyce, Louisiana.

Completing its twentieth successful year with a fine school activities record, the Fenwick Band maintained a full schedule, as in past years, with its repertory of marches, overtures and current popular music. The band was organized in 1930 to fill the musical education needs of Fenwick students, and has grown steadily ever since in its quality and capabilities.

The Band is under the direction of Mr. John Sovinec, who assumed the post in 1939; and efficiently managing the forty-piece group is the Reverend J. A. Simones, O.P., in his thirteenth year as moderator.

Beginning the year with many performances at the fall football rallies, the Band later played at the Prep Bowl game on December 3, the St. Thomas Symposium on March 6, the Silver Gloves bouts on March 31, the Mothers' Club meeting in May, and its major performance, the Annual Concert on April 30, concluding the year with its appearance at the June graduation ceremonies. In addition, this year Fenwick Band took a major part in the band division of the All-Chicago Catholic High School Festival at the Morrison Hotel March 20, of which Father Simones was General Chairman. Fenwick rated high in this organization's band contest.

Having been outfitted in the fall with new uniforms at a cost of \$2000, additional instruments, and other equipment, Father Simones and Mr. Sovinec are now making plans for a larger membership and a broader schedule, looking toward another decade of even greater musical progress.

THE BLACKFRIARS YEARBOOK

Look at this one of Georgel

Let's talk it over . . .

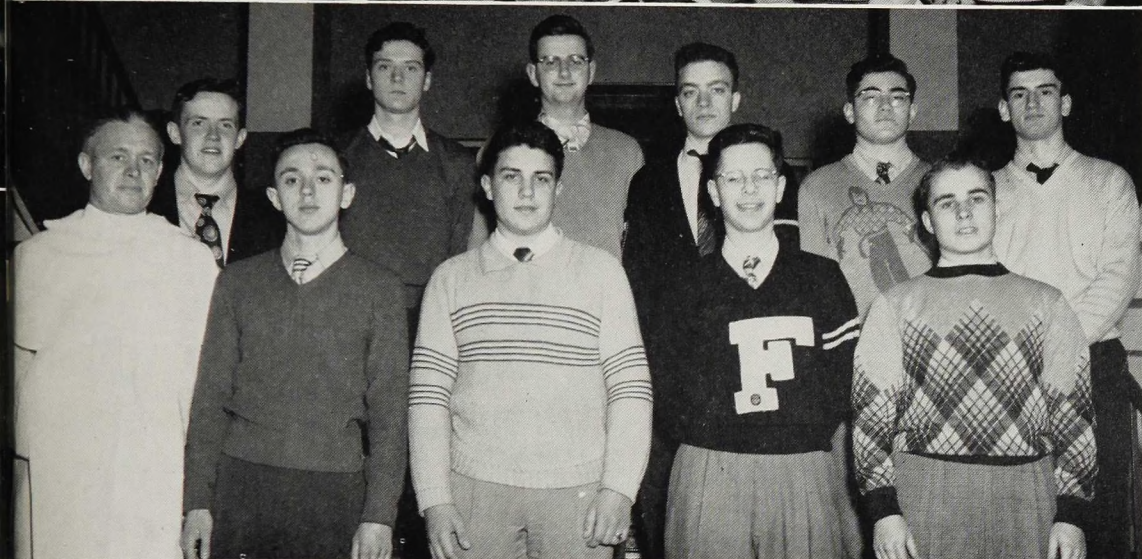

With his return to Fenwick this year the Reverend Edward C. Lillie, O.P., became the head of the English Department and the task of selecting a Yearbook staff fell to him. Early in October, Father Lillie appointed John W. Gustafson as editor and then the staff was chosen from a list of volunteers.

The Blackfriars was divided up into three sections, the Faculty and Students section, the Athletics, and the Activities section. A chairman was placed at the head of each division with several men working under him. The work on the Students and Faculty section began almost immediately with the photographing of the members of the faculty and the students.

William Hank was placed in charge of the Students and

Faculty section. Assisting him in picture identification and copy writing were Raymond Durst and Arnold Pins. The first two sixteen-page sections and cover were submitted to the Yearbook printers, Campus Service, during the Christmas holidays.

The Athletic department was handled by James Bailey. While Jim covered the basketball games, Ed Vertuno wrote about the swimming team, Vincent Baldassari had football, and Bob Brett took the Intramurals.

The Activities section was put into the hands of Roger Keith. Writing for him were his assistants David Hynous, Richard LaPata, Donald Clark, Joseph Ryan, and George Kunzmann.

Pictures for the Annual were supplied by John Gustainis, William Dwiggins, Toloff Studios, and the Oak Leaves.

BLACKFRIARS' DRAMATIC GUILD

Bonnie McGrath, Bob Conforti, Bill Ritchie, Jack Connelly, and Jeanne Walsh look over a song hit for the show.

Encouraged by the record attendance of last year's production "Fight Time", the Blackfriars' Dramatic Guild finished their sixth season with a four-night run of the musical comedy "What a Life!" Previous Guild presentations were limited to three nights.

"What a Life!", written by Clifford Goldsmith, lived up to all expectations. It proved to be a smash hit, packing in the crowds on the 17th, 18th, 19th, and 20th of May. The play had its setting in the office of the principal of a mid-western high school. It told in a comically appealing manner of the "trials and tribulations" of a high school teen-ager and his friends. How the young man got out of his many complicated situations provided an evening sparkling with laughter.

"What a Life!" was directed by the Reverend John A. Henry, O.P., with the assistance of Mary Ellen Quirk. Miss Quirk also acted as choreographer.

Student in charge of the production was John Riley, '50, who was assisted by Dick Beeman, '51. The cast consisted entirely of Fenwick and Trinity High School students, including Bill Ritchie and Dick Cook, who alternated in one of the leading roles, as did John Culkeen and Jack Connelly. Feminine parts were taken by Bonnie McGrath, Jeanne Walsh, Lou Ann Rabun, Catherine Ratigan, Rowena Schlacks, Nancy Ryan, and Marilyn Zint. Other male parts include those of Bob Conforti, Dick LaPata, Bob Coleman, Ed Connor, George Murphy, and John Lattner.

BUILDING FUND

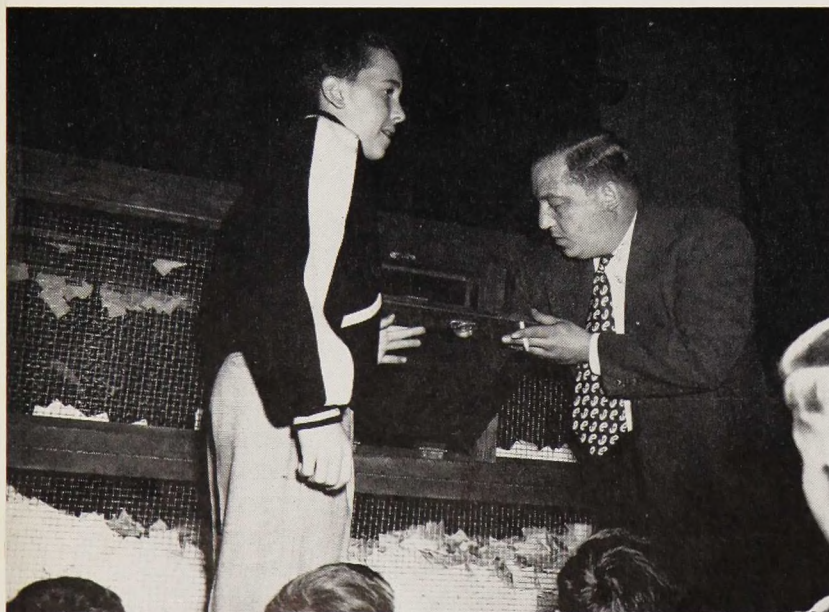

To the winner, a \$25,000 home

In November 1949, the Reverend William D. VanRooy, O.P., moderator of the Fenwick Building Fund Drive, announced that returns from the successful September house raffle had supplied the remaining \$100,000 of the \$400,000 quota needed for the construction of a new school addition. The drive was started in the summer of 1945 to raise the necessary funds for expanding the facilities of Fenwick in order to accommodate the rising enrollment. Father VanRooy was appointed by the Very Reverend Peter O'Brien, O.P., then Provincial of the Province of St. Albert the Great, and Mr. Hugh E. Mulligan offered his services to act as chairman.

On March 1, 1950, the leveling of the old Priory houses was begun, the new Priory building having been finished the previous November, and work on the new school building itself started May 1, with its date of completion set for some time late next fall.

According to Architect Lester D. White's plans, the addition will consist of a series of class rooms on the third floor, a two-story auditorium, and a combination cafeteria and study hall in the basement.

The Camera Club, Fenwick's largest extra-curricular activity

The Fenwick Camera Club, moderated by the Reverend Louis V. Nadeau, O.P., had their most successful season yet. As the school's largest club, the organization went on numerous field trips to places of interest in and around Chicago, erected and furnished a \$5000 darkroom and studio, and ran a giant photo solon contest.

Roger Keith, '50, served as the club's president, and William Dwiggins, '50, and Thomas King, '52, filled the general manager position. The Camera Club held weekly lecture meetings, with numerous contests and exhibitions of the members' favorite prints and slides.

As in the past, the Camera Club has helped the school publications by furnishing photographic records of nearly everything that has happened at Fenwick.

CHEER- LEADERS

Conspicuous and very active this year at all football and basketball games were Fenwick's cheerleaders, a hard working group of ten men. To them went the responsibility of keeping student enthusiasm well organized at these sports events, as well as in the school's pre-game rallies. This year, as in the past, the cheerleaders share no small amount of credit for building up the Fenwick fighting spirit that has lead our teams to so many important victories.

Graduating members this June will be Bob Mulcahy and Larry Harast, "spark plugs" since their Freshman year. Each will receive a monogrammed white sweater as the customary four year service award.

Meetings are held regularly every Monday and Friday in the "tower room" where, under its moderator, the Reverend J. M. Morganthaler, O.P., and its president, Larry Harast, club business and new routines are worked out.

DEBATERS' UNION

"Debating enables you to speak more influentially and express your ideas more clearly," says the Reverend George G. Conway, O.P., moderator of the debaters. Under the guiding hand of Father Conway, the debaters practice twice weekly. The time involved is sometimes extensive, but it pays great dividends.

During the past season the affirmative team of George Kunzmann, '50, James Bouley, '50, and Edward Pikell, '51, and the negative team of John Gustafson and William Hank, both '50, debated on the topic "Should the President be Elected by the Direct Vote of the People?". In the last Forum Tournament of the year William Hank gained the Best Speakers' Medal. The week before at Mundelein he received the second place award. The team had a better than .500 average for the season.

However, debating is not confined to the Chicago area because the debaters have traveled to Milwaukee and Racine, Wisconsin. The Freshman team composed of Robert Robertson, Edward Croke, David Wilhelm and Glenn Judy

entered the Junior tournament in Milwaukee and managed to gain the finals where they won second place.

Besides debating the seniors were in discussions twice on the radio on station WFJL-FM. The first time they spoke about the excessive power of union leaders, and the latter appearance they discussed the China question. After Father Conway addressed the Mothers' Club meeting on March 3, the seniors again discussed the China question before the mothers. All members participated in a speech festival held at Alvernia High School. Categories were dramatic, extemporaneous, and prepared speeches.

Later the Senior debaters journeyed to Milwaukee to attend a mock United Nations assembly at Marquette University. At this UNESCO meeting the debaters adopted a country which they would represent in talks on education, science and culture. All this activity resulted in another successful season for the debaters.

THE FATHERS' CLUB

The true Catholic father will always show his interest in his son. The Fathers' Club provides just such an outlet for this interest.

For the past four years, the Fathers' Club has sponsored vocational talks given to the entire student body for the purpose of acquainting them with different fields of en-

deavor in the hope that these talks may help them decide on their life's work.

Promoted by the Fathers' Club, the 19th Annual Father and Son Football Banquet was held in the Morrison Hotel in December. Such important figures as Johnny Lujak, Bill Barrett, and George Connors entertained the audience with their gridiron experiences.

This year's Fathers' Club is under the leadership of Mr. Raymond W. Durst with vice-presidents from each of the classes: Mr. Burton Hohman, Senior Class vice-president; Mr. Victor Gies, Junior Class vice-president; Mr. Thomas Frainey, Sophomore Class vice-president; and Messrs. John Chiaro and L. D. Moorhead, Freshman Class vice-presidents.

Mr. Harry Valleau was appointed to be the financial secretary; Mr. Nick Mavigliano, the treasurer; Mr. Robert Rigney, the recording secretary; Mr. John Quinn, the corresponding secretary. Mr. Michael Georgen was in charge of the Vocational Program and Mr. Paul Nelson, the Alumni secretary.

A group of eager young men entered the Sherman Hotel in Chicago last February, where they had gathered to attend the French Travel and Trade Show, "France Comes to You".

This was one of a series of activities of Le Cercle Francais, the French Club of Fenwick High School. The show itself afforded an opportunity for the members of the Club to become more intimately acquainted with the culture, products and well-known beauty of France.

Le Cercle Francais is under the direction of the Reverend John C. Puisis, C.S.V. Its purpose is to familiarize French students with the language, customs, and culture of France.

The members of the club participate in French skits (for their own amusement), and pass their free time reading various French

language newspapers, such as "L'Action Catholique", the diocesan newspaper of Quebec, which the club receives regularly.

Le Circle Francais has fifteen members, all of whom are Seniors.

GLEE CLUB

After a year's absence, the Glee Club resumed activities this fall and soon began serenading Fenwick, usually for an hour or so every Tuesday and Thursday afternoons from the school's "concert hall", room 31. Under their new moderator, the Reverend L. V. Nadeau, O.P., and director, Mr. Leonard Simutis,

the club is becoming an established and well-trained organization.

This year the thirty member group has performed at the Nazareth Conferences, Notre Dame High School, Trinity High School, on the "Citizens of Tomorrow Program", over Radio Station W G N broadcast from Fenwick, and has made various other outside appearances including the All-City Catholic High School Music Festival at the Morrison Hotel.

THE MOTHERS' CLUB

The object of the Fenwick Mothers' Club is to promote a better understanding between the faculty and parents and to benefit the school socially and financially. The Mothers' Club has successfully carried out this project on each succeeding year since 1931. The Mothers' Club has also been able to bring spiritual benefits to its members by means of making various spiritual exercises in a body.

The mothers promote parent-teacher understanding at their monthly meetings, which are held each First Friday in the school gym, at which they are addressed by various members of the faculty.

On the social-financial side the mothers sponsor various card parties throughout the scholastic year and thus are able to make such contributions to the school as the films on the life of Christ, which are shown each Friday in Lent to the student body. These films were given to the school by the mothers this year.

The mothers gather spiritual benefits each year by sponsoring the Nazareth Conferences, Club Masses and Communion and their yearly day of recollection.

NATIONAL

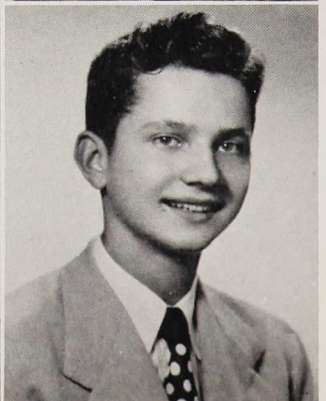

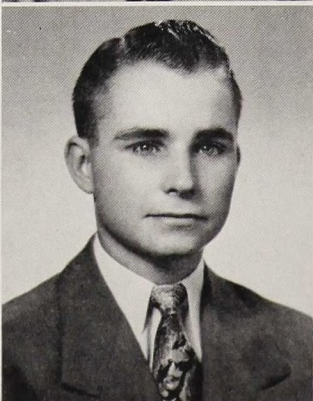

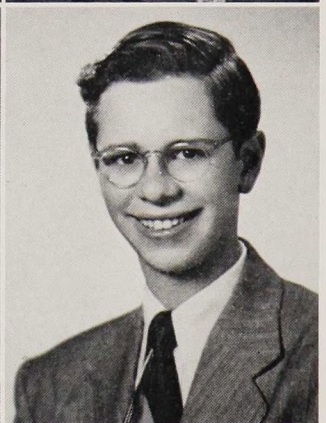

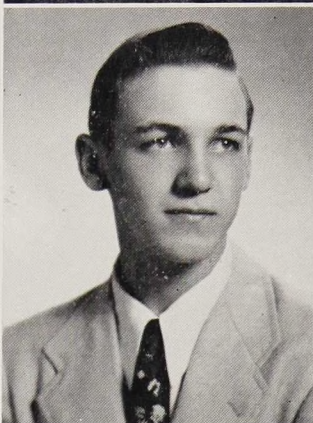

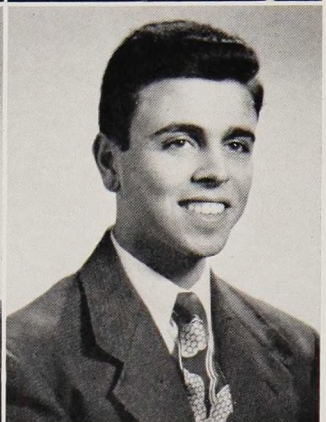

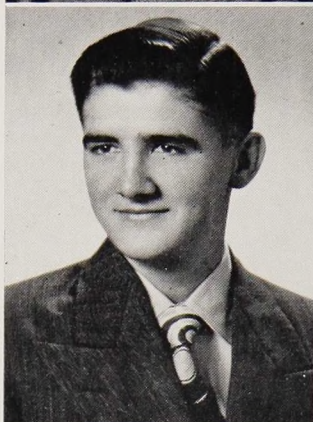

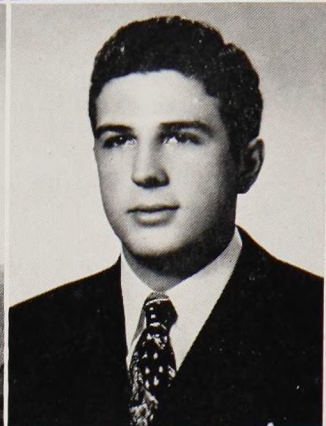

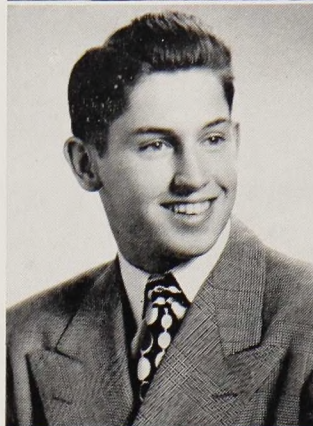

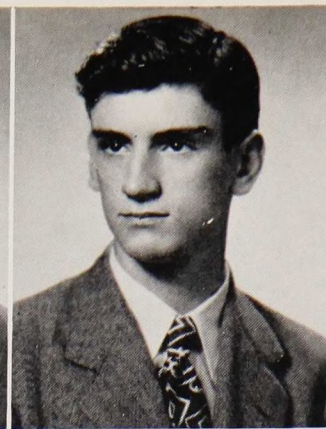

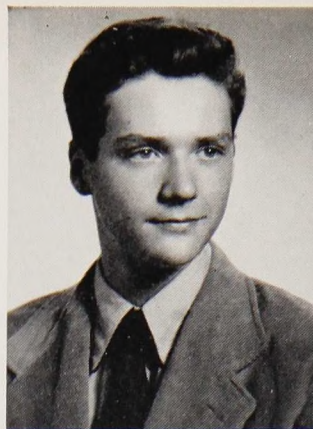

This year a new system was inaugurated in the election of Seniors to the National Honor Society. The election was split into two sections with ten Seniors being elected in September and fifteen more being added in February. The Seniors were chosen by the faculty because of their scholastic rating and the work that the students had done for the school in their extra-curricular activities.

At the beginning of their Senior year Norman W. Canty, William P. Dwiggin, John W. Gustafson, William J. Hank, Richard B. Hohman, David F. Hynous, William H. Jenks, Roger J. Keith, Alex M. Kasper and George J. Kunzmann were appointed to the National Honor Society.

Those elected in the second semester were James L. Bailey, Vincent F. Baldassari, Franklin D. Capitanini, William F. Cavanagh, Robert S. Conforti, Raymond W. Durst, John E. Gustainis, Donald R. Hand, Richard F. LaPata, John J. O'Malley, Donald J. Otten, Joseph V. Pikell, H. John Rohr, George R. Schumann, and Verne A. Sperry.

NAZARETH CONFERENCES

Three Nazareth Conferences were sponsored by the Religion Department this year at Fenwick in cooperation with the Cardinal in bringing the problems of modern youth before the eyes of their parents and showing the Catholic outlook on these difficulties.

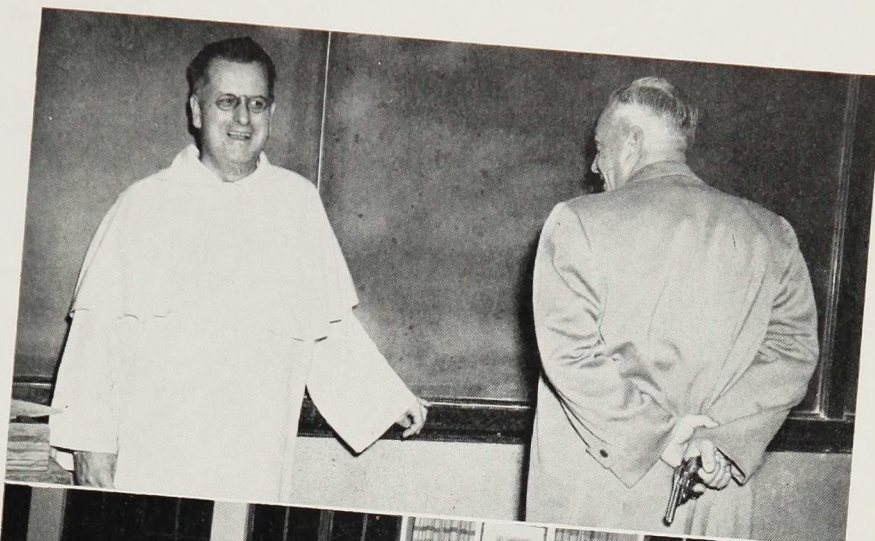

The important subject of vocational guidance in the Catholic home was discussed at the first Nazareth Conference held on Monday night, October 24. The Reverend Gordon F. Walter, O.P., Principal of Fenwick; the Reverend John Snider, S.J., of Loyola University Guidance Center; and the Reverend John Kennelly of St. Angela Parish were the speakers that evening.

The question of "Who Is Responsible for the Character Training of Youth" was discussed at the second Nazareth Conference held January 30, in the gym. The Reverend Dominic

Brady, O.P., of Fenwick, explained the school's responsibility in this matter, while the Reverend Eugene F. Riordan, of St. Catherine Parish spoke about the role that the Church plays, and Mr. Edward W. Dunne, of the Fenwick Fathers' Club, presented the parents' point of view on the serious topic.

A repeat performance of a topic discussed four years ago was held by popular request at the third Nazareth Conference March 27. "The Problem of Youth Entertainment" was the topic. The Reverend James M. Dempsey, O.P., who is moderator of the school paper, the *Wick*, and for the past seven years has had charge of the Dramatics Guild at Fenwick, spoke on "The Morality of Entertainment", while Mr. David P. O'Malley, head of the Chicago Theatrical Booking Agency, talked on "The Entertainment Business".

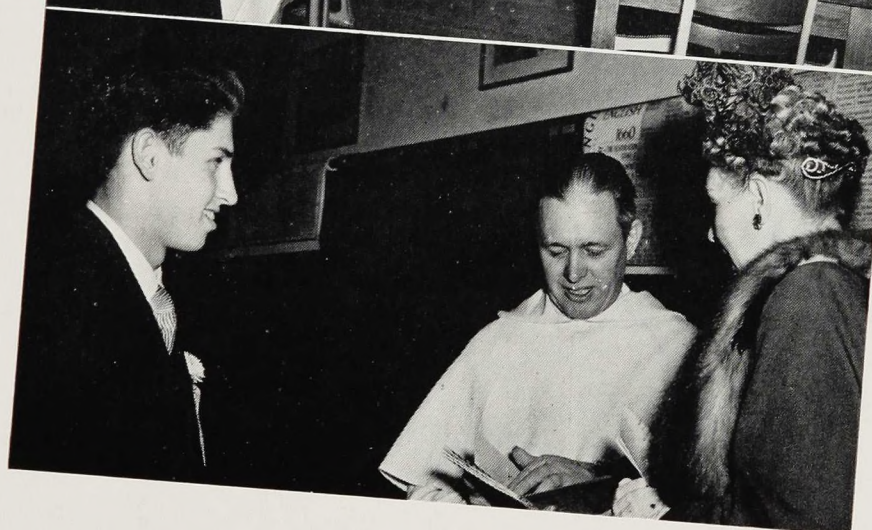

PARENTS' NIGHT

The marks don't count. It's what you know, isn't it?

Waiting for the sad news

Here's another major letter

Approximately five hundred parents of Fenwick students attended the annual Parents' Night which was held Friday, October 28. The open house afforded the parents an opportunity to meet the priests who would mold the character of the students during their four years at Fenwick. For over three hours the professors answered the many questions of the parents.

THE RADIO CLUB

Progress was again the by-word of the Fenwick Radio Club as it successfully completed its 1949-50 curriculum with the addition of a new radio room and more equipment.

After being evicted from the basement of the old Priory by the wreckers, the club moved en masse to the physics laboratory and proceeded to construct a new "ham shack" in one corner. Here they reorganized their equipment, which this year was embellished by a new transmitter and receiver, donated by the

Hallicrafters Radio and Television Corporation.

Under the direction of the Reverend E. M. Robinson, O.P., club moderator, and Joseph Vitous, '50, chief operator and club trustee, the 15 members completed installation of their economy-size rotary-beam antenna, set up last year on the gym roof.

Licensed members Joseph Vitous, Donald Otten, '50, and Edward Pikell, '51, have contacted as far locales as Czechoslovakia and Australia this year.

LUNDI GRAS

Entertaining for the Dominican Fathers' Seminary Fund are: Pat O'Brien, Ann Blyth, Jimmy Durante, and Phil Regan

A star-studded cast headlined by Jimmy Durante, Ann Blyth, Phil Regan, Pat O'Brien, and Al Morgan presented a three hour variety show in the Chicago Stadium, February 20, for the benefit of the Dominican Fathers' Seminary Fund. The Lundi Gras festival was planned to help finance the recently constructed million-dollar Priory and Novitiate of St. Peter the Martyr in Winona, Minnesota.

Backed up by Claude Kirchner of TV's Super Circus, the Four Kit Kats, Shirley Watson, an acrobatic duo, and the Notre Dame and Rosary College Glee Clubs, the show was a great success and the crowd that packed the stadium went home well pleased. Ann Blyth picked the lucky numbers for the raffle. Sally Beck of Racine, Wisconsin, won the new Ford and Isabell Winkler won the all-expense paid trip for two to Rome.

RELIGIOUS ACTIVITIES

In more this year than in the past, the Department of Religious Activities has provided the spiritual necessities of life for the student body of Fenwick. Climaxed by the use of the new chapel and confessionals this year has seen a rapid growth in the department under the guidance of the Reverends Thomas C. Donlan, O.P., and Edward T. Lawton, O.P.

For the benefit and convenience of the students, Mass has been said every morning in the new and comparatively large chapel in the priory, and confessions have been heard every afternoon after school.

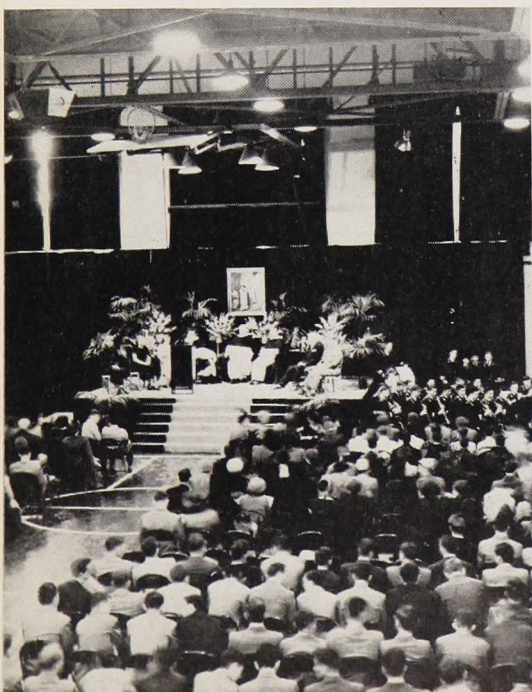

Undoubtedly the greatest spiritual benefits were offered by the yearly retreat, taking place after the mid-year examinations. This year's retreat was given by the Reverend Thomas L. Dolan, O.P., director of the Society for Vocational Support.

Another important event on the calendar was the vocational talks given by three religious communities with the intentions of helping anyone interested in the priesthood to make a worthy choice. The Reverend John P. Kennelly from St. Angela's Church spoke on "Diocesan Priests—Our First Line of Attack". The Reverend Charles R. William, C.S.V., addressed the students on "Viatorians—Bringing Christ to Modern Men". The final talk was given by the Reverend Andrew C. Geary, O.P., on "Dominicans—Missioners to the World".

In honor of St. Thomas Aquinas, Universal Patron of Catholic Schools, the 14th annual Symposium was held. Fenwick was represented by John Gustafson, '50, who was awarded third place in the boys' division. Thirty-four Catholic high schools participated in the Symposium.

One of the more steadily growing organizations, the Rifle Club, has completed its fourth year. It was first introduced to Fenwick by the Reverend James A. Quinn, O.P. Father Quinn, the club's moderator, was formerly a chaplain in the Marines.

The objects of the club are to give practical knowledge of guns as a sport and to teach safety with firearms. Any student who is in good scholastic standing and is past his first semester is eligible for the club.

There are approximately 15 members in the club, which has its weekly meetings on the rifle range at the Austin Town Hall. The club is a member organization of the National Rifle Association and therefore most of its equipment is supplied by that association. In competition the Rifle Club has a comparatively good record.

The officers of the club are: moderator, Father Quinn; president, John Culkeen; vice-president, Philip Nash; treasurer, Charles Welter; and secretary, Frank Trankina.

THE SEA SCOUTS

In keeping with the Catholic ideals of scouting, a Sea Scout Ship has been established at Fenwick. The moderator and Chaplain of the Ship S. S. Santo Domingo is the Reverend Martin M. Scannell, O.P. Father Scannell is also the Catholic Chaplain for all Scouts in this area.

The most ambitious project of the Sea Scouts' past season was the constructing of a "canuyak" — a combination between a canoe and a kayak.

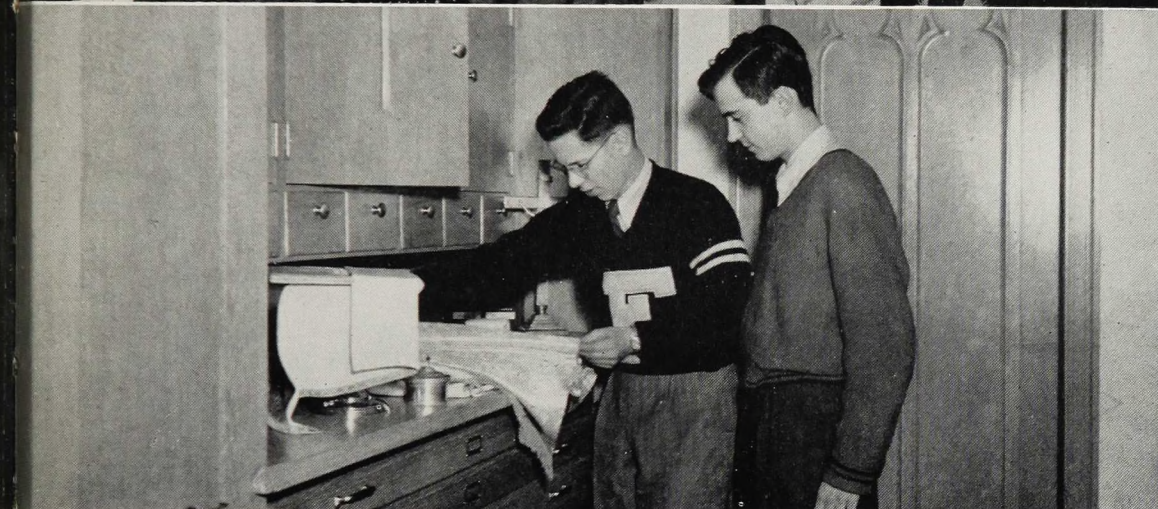

In the near future the seven members of the Sea Scouts plan to acquire a surplus ship from the Navy upon which all phases of seamanship may be studied in great detail.

THE SERVERS' CLUB

More important than ever, the extremely active members of the Servers' Club have added several features to their organization. The 23 members now have the privilege of assisting at the Holy Sacrifice of the Mass in the new Priory Chapel completed last winter. Also, this year has seen the framing of a new club constitution, as well as the designing of a special club pin, to serve both as a sign of membership and as an award for faithful service to the school.

The other rewards gained by the members are unable to be seen, but through their participation in club services, the servers obtain spiritual benefits and a more thorough appreciation of Church ceremonies. Assisting at all religious activities constitutes the task of the

group. The busiest work remains for the Sacristans, William Dwiggins and David Hynous, '50, who must assemble the altar and prepare the vestments and sacred vessels for school ceremonies.

The growing membership has caused the new club moderator, the Reverend Joseph I. Hren, O.P., to hold numerous classes to train neophyte servers in the rituals of Dominican ceremonies.

This year, the club was not only active around the school, but also distinguished itself by providing servers for Dominican services in and around Oak Park, and for a special Solemn High Pontifical Mass celebrated at Holy Name Cathedral last March.

SCHOOL DANCES

Fenwick's first social activity, the Fall Confraternity Dance was held in the school gym, October 11. The dance was held from 8:30 to 11:30 with the bids at \$1.80. Bill Musgrave and his orchestra furnished the music. Approximately 125 couples attended the dance, the proceeds from which aided the Dominican missions in Louisiana.

The Junior Prom was held at the Nineteenth Century Club in Oak Park on February 11. The bids were \$3.50. Dean Williams and his eight-piece "Society Orchestra" with Diane Lewis as the vocalist, provided the music for the affair.

The Spring Confratillion Dance, sponsored by the Religion Department, was held on the night of May 12, in the school gym. Pat Mahoney furnished the music. Over 160 couples attended the dance.

The Fenwick Senior Prom was held at the Elmhurst Country Club on the night of May 31. The bids for the only formal dance of the year cost \$5.00. Don Johns and his orchestra provided the music for the evening.

"It's not the size, but the thought that counts." This ancient saying can readily be applied to the Stamp Club, for though the number of members is limited, the work they enjoy is immense. For the benefit of the members the club has stamp catalogues for research purposes. Besides, the club has direct connection with some of the largest stamp concerns throughout the world.

Under the leadership of the Reverend James W. Regan, O.P., club moderator; George Kunzmann, president, '50; and William Givens, William Hank, and Daniel Mirabelli, also '50, the club has progressed successfully. A new measure was adopted whereby no senior can hold office during the second semester because of the limited activity of seniors.

During the second semester, Theodore Trybul, '53, governed the club's activities. Talks about some phase of stamp collecting were

THE STAMP CLUB

given once a month to aid the collectors in their own collecting.

On April 27, the Stamp Club placed several collections on exhibit in the library. This action gave other students a chance to see what stamp collecting is like. No prizes were awarded for the displays, but competition was keen because each member desired his collection to be the best.

With the passing of the Senior Class of '50 the Stamp Club celebrated its fourth year of existence.

VOCATIONAL LECTURES

Now in its fourth year, Fenwick's Vocational Guidance Program, sponsored by the Fenwick Fathers' Club, has distinguished itself for the valuable service it renders to the students. A countless number of Fenwick boys have profited by the information passed on to them in various talks by experts in the fields of industry, commerce, and science.

For this year's lecture series, Mr. Michael A. Georgen, chairman of the program, provided exceptionally well-qualified men to address the students. First to speak was Mr. John C. Jensen, international sales representative for many world-wide merchandising corporations. He spoke on "Foreign Trade".

Shifting to the popular field of insurance, the program next presented Mr. Harold O. Fichte of the Lumberman's Mutual Casualty Company, who outlined the numerous occupations connected with his business.

Possibly the most surprising of the lecturers this year was Mr. Vilas Johnson, director of the Accounting Employers Association. In his talk on accounting as a career, he asserted that, more than any other asset, a strong personality was needed by the aspirant accountant.

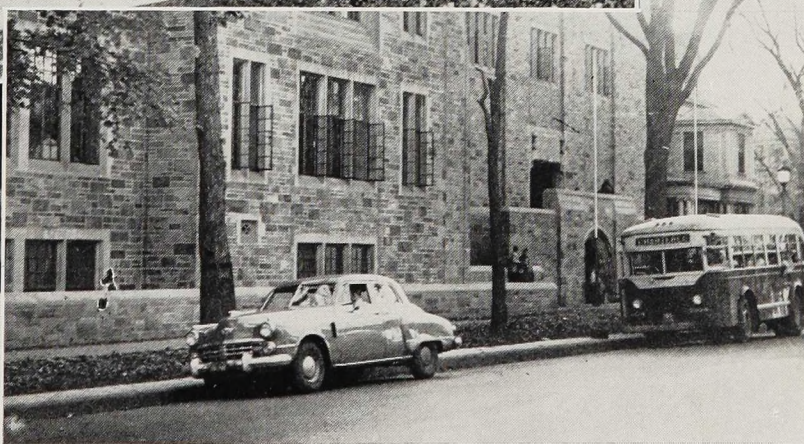

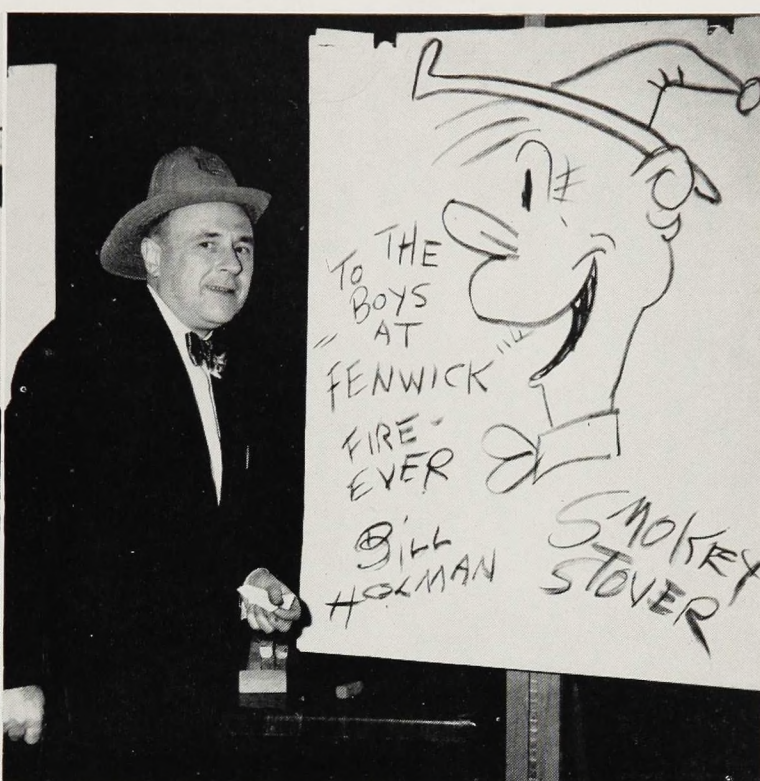

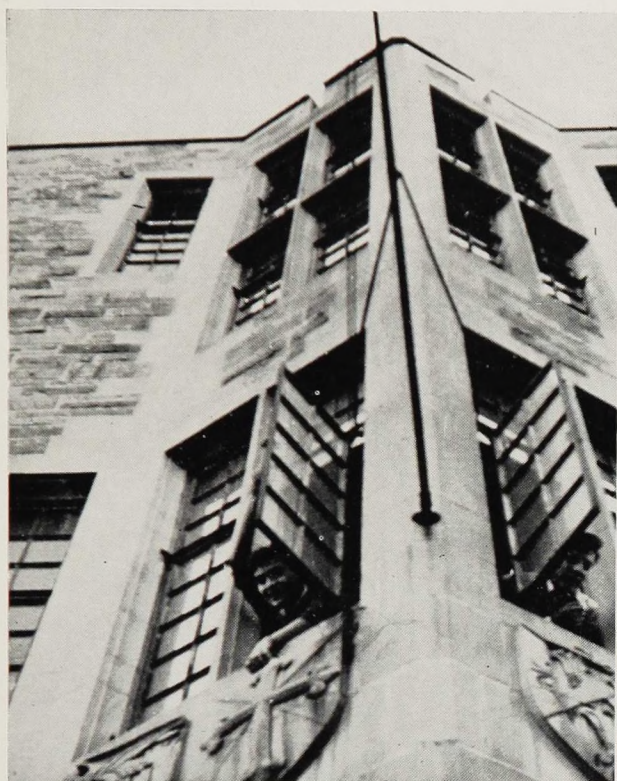

Fourth on the list of speakers was Mr. James H. Tyndell, who sent out an appeal to the outdoor he-men with his speech on "Forestry as a Profession".

THE WICK

Fenwick's only newspaper, the *Wick*, saw many changes during the year. The Senior staff was juggled in the middle of its term in office. Roger Keith and David Hynous alternated as editor-in-chief and associate editor. A new printer was found for the *Wick*, Forest Publishing Company in Forest Park, replacing the Church Printers. A special Freshman issue was printed introducing the Frosh to Fenwick. The Junior staff replaced the older staff at midyear. Pat Scott, Frank Maier, and Robert Leak became editor-in-chief and associate editor respectively. Father James M. Dempsey, O.P., is the adviser to the journalists.
